

ASSUMPTION OF RISK AND WAIVER OF LIABILITY RELATING TO CORONAVIRUS/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person to person through respiratory droplets when an infected individual coughs, sneezes or speaks. As a result, government agencies at all levels and federal, state, and local health agencies recommend social distancing and have placed limits on the congregation of groups of individuals.

In collaboration with our partners at the Archdiocese of Denver and Annunciation Heights, Life-Giving Wounds has ensured that preventative measures are in place to reduce the spread of COVID-19; however, Life-Giving Wounds cannot guarantee that you will not become infected with COVID-19. Further, attending activities on the Life-Giving Wounds Retreat could increase your risk for contracting COVID-19.

By participating in the Life-Giving Wounds Retreat, you acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that you may be exposed to or infected by COVID-19. Also, by signing this agreement, you agree to follow the preventative measures and guidelines implemented by the Archdiocese of Denver and Annunciation Heights, including not coming to the retreat premises if demonstrating any signs or symptoms of COVID-19.

I hereby release, covenant not to sue, discharge, and hold harmless Life-Giving Wounds, and all of their current, former, and future agents, representatives, volunteers, and employees of and from any claim related to COVID-19 before, during, or after participation in the Life-Giving Wounds Retreat, including all liabilities, claims, actions, damages, costs, or expenses of any kind arising out of or relating thereto.
